PROFESSIONAL EXPERIENCE

TATA CONSULTANCY SERVICES LIMITED (TCS) Mumbai, India
Salesforce-Administrator Feb 2024 – Mar 2026

- Configured and customized Objects, Fields, Page Layouts, Flexi Pages, and Lightning App Builder with Dynamic Forms, and created 20+ Reports and Dashboards for improved data visibility.
- Administered the Salesforce platform using Roles, Profiles, Permission Sets, OWD, Sharing Rules, Queues, and Public Groups, with experience across Sales Cloud and Service Cloud.
- Automated business processes using Flows, Validation Rules, Email Alerts, and Apex Triggers, and implemented AppExchange solutions.
- Performed data migration, data cleansing, and duplicate removal using Data Loader and Workbench to maintain Data Quality, and used Sandboxes for testing and deployment with Salesforce CLI (SFDX), Git, and CI/CD.
- Trained and supported end users and analyzed and resolved Salesforce issues by implementing best practices to improve system quality.
- Handled support requests, tested new features, and created technical documentation.
